How to play

1. **Fill in the terms and conditions**
   Read through and complete the relevant areas of the terms and conditions below.

2. **Choose the prize**
   Selecting a good prize for your sweepstake can really boost your fundraising. This could be a cut of the funds raised, a voucher or anything you choose!

3. **Choose a fixed entry price**
   Everyone must pay the same amount for each player they draw. The higher the amount the more you will raise, but if you are only going to have a few people playing, lower the price and ask them to draw more than once.

4. **Prepare your sweepstake**
   Print or write out the player names on bits of paper and pop them in an envelope or hat.

5. **Spread the word and enjoy the competition**
   Invite colleagues, friends or family to pay to enter (either in cash or to your online fundraising page). All entrants should draw a player name and keep this. Make a note of who drew which player in the table provided. If the sweepstake is held within a workplace, it must be conducted as a work lottery as defined in the Gambling Act 2005*.

6. **And the winner is...**
   On the date you've written on your sweepstake let the lucky winner know they've won!
