

# November fundraising ideas

Support your local children's hospice with some Bonfire Night fundraising ideas!

## Sparkle for Acorns

Host a dress-up day at your school or workplace, asking your friends or colleagues to make a donation and rock up in their sparkliest outfit.

## Volunteer to dog-sit

Many people feel as though they can't go out and leave their dogs alone on Bonfire Night in case they are scared. If you don't have any plans, why not volunteer to look after somebody's pet in exchange for their donation to Acorns?

## Penny for the Guy

Create a Guy Fawkes style scarecrow and ask friends and family for donations to support Acorns

## Sell some Bonfire Night treats

Whether it's s'mores, toffee apples or toasted marshmallows with a chocolate drizzle - ask your family and friends for a small donation to share your treats

## Ask if you can do a bucket collection

Ask your local community centre or sports club if they're holding a firework display whether you and some friends or colleagues can attend and collect some spare change as people leave the event at the end of the night.

**Every penny you raise will make a real difference to local children and their families.**
