Fundraise in celebration

Your local children's hospice

Celebrations are a fun and easy way to raise money for Acorns and help make a difference to local children and their families.

Whether it's a birthday, wedding anniversary or your retirement, enjoy your special day with loved ones and give in celebration to help us make every day count for life limited and life threatened children.

Set up a fundraising page and celebrate your special occasion by asking friends and family to make a donation instead of buying a gift.

Celebration favours

Instead of traditional wedding or party favours, why not make a donation to Acorns on behalf of each of your guests?

In exchange, we can supply beautiful seed hearts for you to put on your tables. Made from special eco-friendly, recycled paper, each heart is embedded with wildflower seeds. When your guests plant the paper, the seeds will bloom into a stunning display as a reminder of your special day.

There is a suggested **minimum donation of £2 per favour**, which includes one seed paper heart and an Acorns display card. To request these celebration favours for your special occasion, please get in touch by calling **01564 825 037** or emailing **supporterservices@acorns.org.uk**.

The difference you could make

Because of the generosity of people like you, local life limited and life threatened children like Hugh are receiving the care and support they need. When the unimaginable becomes reality for families, Acorns Children's Hospice is there for them, holding their hand along every step of their journey. The need for children's hospice care never stops which is why we are here to provide specialist palliative care 24 hours a day, 365 days a year.

£40 could pay for one hour of care for a child like Hugh in a hospice

£50 could cover the cost of a family member staying at Acorns overnight

£250 could pay for 10 complementary therapy sessions for family members

£975 could pay for a child like Hugh to have a 24 hour short break in one of our hospices

Hugh and his Mum Emma rely on the support of our hospice
