

Help pay for the extra day this leap year!

acorns

Your local children's hospice

Leap into action this February with some FUN-draising to help raise vital funds to support the cost of running Acorns' care services for an extra day.

Host a raffle

Raffle prizes don't have to be budget breaking, see if local businesses will donate items/ vouchers or perhaps offer work-based incentives like a bonus day of annual leave.

Leap into a new challenge

Challenge yourself to do something new by taking a look at our exciting [Events calendar](#). Choose from [runs](#), treks, skydives and more...

Gift us your time

Make your extra day count and volunteer to help our Fundraising team at one of our local community bucket collections.

Pancake Day

Start your workday with a difference with a fun and tasty Pancake Day Flipathon and get colleagues to donate to Acorns to take part.

Valentine's Day

Share the love with colleagues with some Valentines themed fun. Encourage a Random Acts of Kindness Day, or host a love/heart-themed bake sale.

Leap frog

Bring some childhood nostalgia and fun to your workplace with a sponsored leap frog challenge or sports day style event.

Donate a day's pay

See if your managers/ directors would be happy to donate a day's pay to Acorns. This is a great way for them to get involved if they can't make it to your other fundraisers.

Matched giving

Ask your HR department if your organisation operates a match funding policy. This is a simple way to maximise you and your teams fundraising efforts.

Bring and buy

Create a pop-up shop selling pre-loved items and get colleagues to embrace secondhand shopping. Any leftover items can be donated to an Acorns charity shop.

The difference your support can make...

£100

could provide the funds for a family to stay at Acorns overnight

£270

could fund 10 one-hour sessions with a hospice Physiotherapist

£1,090

could pay for a child to have a 24-hour short break in a hospice

£10,000

could run both our in-house and community services for a day in one of our 3 hospices
