How to play

1

Fill in the terms and conditions

Read through and complete the relevant areas of the terms and conditions below.

2

Choose the prize

Selecting a good prize for your sweepstake can really boost your fundraising. This could be a cut of the funds raised, a voucher or anything you choose!

3

Choose the donation amount

Select an amount for people to donate per guess. You want to get as many people guessing as possible to help you with your fundraising. The higher the amount, the more you will raise. However, if only a few people are likely to play, consider lowering the amount and inviting them to guess more than once.

4

Spread the word

Invite colleagues, friends or family to play and give your chosen amount per guess, either in cash or through your online fundraising page. If the sweepstake is held within a workplace, it must be conducted as a work lottery as defined in the Gambling Act 2005. This means that people can only take part if they work at the same address as the promoter named in the terms and conditions, and the sweepstake may only be promoted at those premises.

5

Let the winner know

On the date you've written on your sweepstake, let the winner know they've won the prize! Make sure the date you select is after you find out your official finish time.
