

September fundraising ideas

Host a charity bake off

This can be amongst friends and family or hosted at work with colleagues. A great way to raise some money and get to taste test some sweet treats. Please follow allergen guidelines.

Lunch time quiz

Host a lunchtime quiz and charge a donation for each team entry. You can download quizzes online or use platforms such as Kahoot!. Not to worry if you can't get everyone together, you can use Zoom or Microsoft Teams to run it as a virtual quiz.

National Coffee Day

Host a coffee and chat on National Coffee Day - 29th September. Bring together the community and raise some money while you're at it by charging a donation for drinks and snacks.

Walk, run or cycle to work

September can be seen as a time for more movement following on from the hot summer months. You can challenge yourself to walk, run or cycle to work for a month and get sponsored by friends and family. Top tip: ask your organisation if they would match fund any sponsorship.

Start a book club

Gather your friends and encourage an Autumn of reading. Start a book club, with an entry fee being donated to Acorns, and discuss a different book each session. It's a great way to bring everyone together to explore new authors and genres.

Every penny you raise makes a real difference to local children and their families.

Whether you need some materials, help with ideas or just have a quick question, we are here to help you every step of the way. Please get in touch by emailing supporter.services@acorns.org.uk or calling **01564 825 037**.
