

November fundraising ideas

Warm up this November

As we are coming into winter, a hot chocolate fundraiser is a perfect idea to support your fundraising. Set up a station at your workplace, a school or community centre. You can sell a standard and luxury hot chocolate with different toppings such as marshmallows and cream.

Bonfire Night quiz

Most people have celebrated Bonfire Night before, but does everyone know the history of the night? Test your friends, family and colleagues with a quiz and see how much they know! You can either ask for a donation to take part or have an entry fee for teams.

Mo your own way

Choose how you participate in this challenge. You can either grow a moustache for the month of November, wear a fake one or paint one on. Ask your friends or colleagues to sponsor you through this challenge and you can share on social media with images to have more of a reach.

November novel reading challenge

As November is National Novel Writing Month, this is a great time to take part in a reading challenge. You can either set your own goals for books/pages read or ask those supporting you to do so and once the goal is passed the supporter pays the pledge.

Wreath making

Get ahead of preparation for the festivities and launch a wreath making workshop for your friends. All you need is a base ring, foliage, ribbons and other decorations then everyone can get creative. You can also sell refreshments and mince pies to get people in the Christmas spirit and make some extra donations.

Every penny you raise makes a real difference to local children and their families.

Whether you need some materials, help with ideas or just have a quick question, we are here to help you every step of the way. Please get in touch by emailing supporter.services@acorns.org.uk or calling 01564 825 037.
