How to play

1 Fill in the terms and conditions

Read through and complete the relevant areas of the terms and conditions below.

2 Choose the prize

Selecting a good prize for your sweepstake can really boost your fundraising. This could be a cut of the funds raised, a voucher or anything you choose!

3 Choose a fixed entry price

Everyone must pay the same amount for each contestant they draw. The higher the amount the more you will raise, but if you are only going to have a few people playing, lower the price and ask them to draw more than once.

4 Prepare your sweepstake

Print or write out the contestant names on bits of paper and pop them in an envelope or hat.

5 Spread the word and enjoy the competition

Invite colleagues, friends or family to pay to enter (either in cash or to your online fundraising page). All entrants should draw a contestant name and keep this. Make a note of who drew which contestant in the table provided. If the sweepstake is held within a workplace, it must be conducted as a work lottery as defined in the Gambling Act 2005*.

6 And the winner is...

On the date you've written on your sweepstake let the lucky winner know they've won!
